Petition to the House of Commons in Parliament assembled, WHEREAS

Canadians want the right to own guns to be respected and protected by government and are against Bill C-21.

- Given the vast majority of Canadian hunters, sport shooters and farmers are responsible gun owners who obey the law;
- The government should instead focus on the illegally imported guns into Canada and the illegal unregistered guns in Canada;
- Canadian taxpayers do not consent to any handgun import ban or any future restriction or ban of any type of guns;
- Canadians feel Justin Trudeau is pursuing a tyrannical policy of full civil disarmament designed to rob Canadian's of the ability to protect themselves and their families, partake in activities they enjoy and exercise their fundamental freedoms;
- Klaus Schwab (head of the WEF), wrote a book entitled "Covid-19 The Great Reset". In his book he describes a method of taking advantage of a crisis to exploit it with a foreign private corporate political agenda termed the 4th industrial order in which he projects that people will no longer enjoy fundamental rights and freedoms including the right to gun ownership;
- The 1960 Canadian Bill of Rights states:
The Parliament of Canada, affirming that the Canadian Nation is founded upon principles that acknowledge the supremacy of God, the dignity and worth of the human person and the position of the family in a society of free men and free institutions; Affirming also that men and institutions remain free only when freedom is founded upon respect for moral and spiritual values and the rule of law; And being desirous of enshrining these principles and the human rights and fundamental freedoms derived from them, in a Bill of Rights which shall reflect the respect of Parliament for its constitutional authority and which shall ensure the protection of these rights and freedoms in Canada: Therefore Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows: PART I BILL OF RIGHTS 1. It is hereby recognized and declared that in Canada there have existed and shall continue to exist without discrimination by reason of race, national origin, colour, religion or sex, the following human rights and fundamental freedoms, namely, (a) the right of the individual to life, liberty, security of the person and enjoyment of property, and the right not to be deprived thereof except by the due process of law; (b) the right of the individual to equality before the law and the protection of the law; (c) freedom of religion; (d) freedom of speech; (e) freedom of assembly and association; and (f) freedom of the press.;
- Scenarios for the Future of Technology and International Development, written in 2010 by the Rockefeller Foundation, page 18 Lock Step – demonstrates a global crisis resulting in fascist foreign control;
- According to Peter Koenig – a geopolitical analyst - "The Great Reset, will reduce the world to 'modern' feudalism";
- Canadians want the removal of foreign corporate interests in Canadian Politics who are pushing their private agenda;

We, the undersigned citizens and residents of Canada call upon the House of Commons and the Senate to:

- 1. Desist implementing the private foreign corporate political Agenda;*
- 2. Immediately provide a commitment to protect Canadian's rights and abandon the civil disarmament agenda;*
- 3. Call upon all **Members of Parliament** to follow Canadian law and represent your constituents instead of foreign corporate private political interest and reverse Justin Trudeau's handgun import ban and Bill C-21; Canadians feel our government is being controlled by foreign interest such as the World Economic Forum and demand the interests of constituents be followed instead.*
